

MARSH LANDING COMMUNITY ASSOCIATION MAILBOX REPLACEMENT PROGRAM

Overview:

While the Association arranged to have the mailboxes all replaced years ago to create consistency, the established program was that mailboxes are the responsibility of the homeowners. The mailboxes can be ordered through the Community Association and replaced and then billed to the owner's account or owners can buy the boxes and replace the box themselves.

If the post is damaged those costs will be the responsibility of the owner as well and the Association has found a local company who can provide replacements.

The mailbox specification is as follows:

Black Rural Style mailbox. Galvanized Steel Post Mount

Product Code: E1100B00

6.9 inches wide – 20.1 inches long – 8.9 inches tall

The cost that will be billed to owners for replacement is \$75.00 per unit (mailbox only), which includes installation.
