Regardless of the foregoing, the Association shall not be responsible for incidental damage to any alteration or addition to the Common Elements made by a Unit Owner.

9.4. **By Unit Owner.** Each Unit Owner shall operate, Maintain, repair, and replace, at the Unit Owner's expense:

9.4.1. **Maintenance.** To Maintain, repair and replace at their expense all portions of their Unit (except the portions to be Maintained, repaired, and replaced by the Association), which portion shall include but not be limited to, individual heating and cooling units including compressors which are hereby designated as Limited Common Elements together with screening, all glass windows and doors servicing the Unit exclusively, even if located outside the units boundary, and garage doors, entry walkway and gate entrance even if located outside the Unit on Common Element property if it services only one unit; and the repair or replacement of screening and screening supports on Owners individual terrace

even if same are not part of the Unit but constitute Limited Common Elements unless covered by condominium insurance policy.

- 9.4.2. Utilities.** Electrical, mechanical, and plumbing lines, pipes, fixtures, switches, valves, drains and outlets (including connections), and irrigation or drainage lines and fixtures serving only one (1) Unit.

Air conditioners shall be cleaned bi-annually.

Unit Owners shall replace their water heater with a new unit every ten (10) years from the manufacturing date as shown on the tank, and if unavailable, date of installation with proof. Existing water heaters that have reached ten (10) years of age as of the effective date of this provision must be replaced within sixty (60) days after the effective date of this provision and written notice of the applicability of this provision from the Association. The failure to do so shall create a rebuttable presumption that the Unit Owner was negligent should the above component fail and cause damage to the Unit, to other Units or to the Common Elements.

Any replacement of air conditioners or water heaters shall require the written approval of the ARC.

- 9.4.3. Exterior.** Owners shall not paint or otherwise decorate or change the appearance of any portion of the exterior of the building unless with written permission from the Board. Owners shall be responsible for all windows of their Unit. No Owner can plant their own plants or disrupt current plantings in the Common Elements.

- 9.4.4. Hurricane Protection.** Protective shutters and/or hurricane shutters, if installed shall be the responsibility of the Owner. In addition, the Unit Owner shall be responsible for the cost of removal, replacement or repair if the Association is required to remove the shutters to make repairs to the Common Elements, the Limited Common Elements or a portion of the Units which the Association is responsible for Maintaining.

- 9.5. Maintenance Standard.** All property to be Maintained, repaired or replaced by a Unit Owner shall be Maintained at all times in a first-class condition and in good working order, if same affects the exterior appearance of the Association, so as to preserve a well-kept appearance throughout the Association. All property to be Maintained, repaired, or replaced by a Unit Owner which is inside of the Unit Owner's Unit and which does not affect the exterior appearance of the Association shall be Maintained at all times in a condition which does not and will not adversely affect any other Unit Owner, or any other portion of the Association Property.

- 9.6. Additions, Alterations, or Improvements by Unit Owners.** No Owner shall make or permit the making of any material alterations or substantial additions to their Unit or the Common Elements, or in any manner change the exterior appearance of any portion of the Association, without first obtaining the written approval of the Board of Directors, which approval may be denied if the Board determines that the proposed modifications or alterations would adversely affect, or in any manner be detrimental to, the Association in

part or in whole. Any glass, screen, curtain, blind, shutter, awning, or other modifications, additions or installations that may be installed where visible from outside the Unit, are subject to regulation by the Board.

- 9.7. **Responsibility for Modifications or Alterations.** If a Unit Owner (or his predecessors in title) makes, or has made any modifications or alterations to the interior or exterior of the Unit, Common Elements, or Limited Common Elements, the Unit Owner shall be financially responsible for the Maintenance, care, preservation, or reconstruction of the modification or alteration. Insurance of such modifications or alterations shall be the responsibility of the Unit Owner for the period during which such Unit Owner owns his Unit. Any modification or alteration to the Association Property made by a Unit Owner (or his predecessors in title) may be required to be removed in connection with the Association's Maintenance of the Association Property. In such cases, such Unit Owner, for so long as such Unit Owner owns his Unit, shall be obligated to reimburse the Association for any reasonable, customary, and appropriate costs affiliated with removal or reinstallation of the item, with said obligation being secured by a right of Lien for Charges for Assessments created by this Declaration, or alternatively, said Unit Owner, if such Unit Owner then owns his Unit, may be required to remove and reinstall said modification or alteration, if so determined by the Board. Further, the Association, its contractors and agents, shall not be liable for any damage to the item arising out of its removal or reinstallation, unless occasioned by the negligence or willful misconduct of the Association or its contractor or agent.
- 9.8. **Home Watch.** When the Unit is unoccupied for more than fourteen (14) days, the Resident must notify Management with personal contact information and have the Unit physically inspected at least every fourteen (14) days by a "Home Watch" service or other person to protect the Unit in the Owner's absence. Owners are responsible for informing Management of contact information for the person or service.
- 9.9. **Use of Licensed Contractors.** If such license is required by city, county or state laws, ordinances or codes, an Owner shall only use a licensed contractor (or subcontractor) for Maintenance, repair, replacement, alteration, addition, or Improvement of any portion of the Unit. All persons, contractors, and subcontractors performing any work for an Owner must carry such liability insurance as state laws and licensure require and provide the Association with copies of such insurance. All persons, contractors, and subcontractors performing any work for an Owner must carry workers' compensation insurance unless exempt and a copy must be provided to the Association on request. The Association may limit access to certain daytime hours. All contractors and Owners are required to remove any construction debris daily.
- 9.10. **Report.** Owners shall promptly report to the Association any defect or need for repairs where the remedy is the responsibility of the Association. Failure to notify the Association in a timely manner shall be considered negligence on the part of the Unit Owner and, at the discretion of the Board, such additional damage resulting from failure to notify shall be the responsibility of the Unit Owner.
- 9.11. **Negligence.** The Owner of each Unit shall be liable for the expenses of any Maintenance, repair or replacement of Common Elements, other Units, or personal property made necessary by his act or negligence or by that of any member of his Family or his Guests, Tenants, or Invitees. Each Unit Owner has a duty to Maintain his Unit, any Limited

Common Element appurtenant to the Unit (except those Limited Common Elements required to be Maintained by the Association, as provided herein), and personal property therein, in such a manner as to prevent foreseeable and reasonably preventable damage to other Units, the Common Elements or the property of other Owners and Residents. If any condition, defect or malfunction, resulting from the Owner's failure to perform this duty causes damage to other Units, the Common Elements, Association Property or property within other Units, the Owner of the offending Unit shall be liable to the person or entity responsible for repairing the damaged property for all reasonable costs of repair or replacement. If one or more of the Units involved is not Occupied at the time the damage is discovered, the Association may enter the Unit without prior notice to the Owner and take reasonable action to mitigate and prevent further damage.

The Board of Directors may establish a list of precautionary duties that each Unit Owner is responsible to perform designed to reduce the incidences of accidents that may cause damage to other Units or the Common Elements. Failure by the Unit Owner to perform said duties shall create a rebuttable presumption that the Unit Owner was negligent and liable for such damage.

- 9.12. Failure to Maintain.** If after reasonable notice the Owner of a Unit fails to Maintain the Unit or its appurtenant Limited Common Elements as required above, the Association may institute legal proceedings to enforce compliance, or may take any and all other lawful actions to remedy such violation, including, but not limited to, entering the Unit, with or without notice to or consent of the Tenant or Unit Owner, to repair, replace, or Maintain any Common Elements or of any portion of the Unit to be Maintained by the Association pursuant to this Declaration. Any expenses incurred by the Association in performing work within the Unit as authorized by this Declaration shall be charged to the Unit Owner, together with reasonable attorney's fees and other expenses of collection, if any.

- 10. ADMINISTRATION AND MANAGEMENT OF CONDOMINIUM.** The administration and management of the Association shall be by the Association, which has by and through its Officers and Directors, such powers, authority and responsibilities as are vested in the Officers and Directors of a corporation not-for-profit under the laws of the State of Florida, including, but not limited to, those set forth more specifically elsewhere in the Governing Documents. The Association has the authority to enter into management and other agreements concerning the matters of common interest through its Officers. The management of the Association and election of the Members to the Board is stated in the Bylaws. Without limiting the foregoing, the Association has the following rights and powers:

- 10.1. Unit and Limited Common Element Access.** The irrevocable right of access to each Unit and its appurtenant Limited Common Elements during reasonable hours as may be necessary for the Maintenance of any Common Elements or of any portion of a Unit to be Maintained by the Association pursuant to this Declaration, or as necessary to prevent damage to the Common Elements or to any Unit or Units, or to determine compliance with the terms and provisions of this Declaration, and the Rules and Regulations adopted pursuant to such documents, as the same may be amended from time to time. When a Unit Owner must Maintain, repair, or replace portions of the Association Property as provided herein, and which requires access to another Unit for said purpose, the Unit Owner shall have reasonable right of access which shall be administered through the Association. The Unit Owner upon whose behalf access has been obtained shall be obligated for the expense of repairing any damage to the Association Property.

10.2. Assessments and Charges. The power to make and collect regular Assessments, Special Assessments, and other Charges against Unit Owners.

10.3. Official Records. The Association shall maintain its official records as required by law. The records shall be open to inspection by Members or their authorized representatives at reasonable times. The right to inspect the records includes a right to make or obtain photocopies at the reasonable expense of the Member seeking copies.

If the requested records are posted on the Association's website, or are available for download through an application on a mobile device, the Association may fulfill its obligations by directing to the website or application the persons authorized to request access.

The Association shall be entitled to charge a reasonable fee to the prospective purchaser, lien holder, or Member for its time in providing good faith responses to requests for information by or on behalf of a prospective purchaser or lien holder, other than that required by law, plus the reasonable cost of photocopying and any attorney's fees incurred by the Association in connection with its response.

10.4. Roster. The Association shall maintain a current roster of names and mailing addresses of Unit Owners. A copy of the roster shall be made available to any Member upon request. Additionally, the Association may maintain the electronic mailing addresses designated by Members for receiving notice by electronic transmission of those Members consenting in writing to receive notices and documents by electronic transmission. The electronic mailing addresses and telephone numbers provided by Members to receive notices and documents by electronic transmission shall be removed from Association records and not made available to other Members when consent to receive notice by electronic transmission is revoked in writing and sent to the Association. The Association, however, is not liable for an erroneous disclosure of the electronic mailing address or the number for receiving electronic transmission of notices.

10.5. Acquisition or Transfer of Real or Personal Property. The power to acquire real property and transfer real property owned by the Association or otherwise convey and mortgage real property for the use and benefit of the Unit Owners with the same approval of Unit Owners as is needed to amend the Declaration. No Unit Owner approval is required to acquire, purchase, or mortgage a Unit in connection with foreclosure of a lien or deed in lieu of foreclosure, nor to dispose of such Unit. No Unit Owner approval is required for the acquisition or disposition of real property necessary, as determined by the Board, to address legal description or survey errors, or boundary or ownership disputes or uncertainties.

10.6. Membership Agreements. The power to enter into agreements to acquire leaseholds, memberships, and other possessory or use interests in lands or facilities such as country clubs, golf courses, marinas, and other recreational facilities with the same approval of Unit Owners as needed to amend the Declaration.

10.7. Fees for Use of Common Elements. The power to set fees, pursuant to the Act, the Board of Directors shall have the authority to set use fees for private use of Common Elements or Association Property, as well as the regulations and policies pertaining to such use. The Board of Directors may also establish other fees and deposits determined necessary by the

Board. Nothing in this Declaration shall be construed as obligating the Association to provide any of the aforementioned services.

- 10.8. **Lease of Association Property or Common Elements.** The power to Lease Association Property or Common Elements, as authorized by the Board, including, but not limited to, the Lease of Building roof areas and other Common Elements for antennas or other telecommunications and similar equipment. No use fee may be charged against a Unit Owner for use of the Common Elements or Association Property except fees set by the Board pertaining to an Owner having exclusive use of the Common Elements or Association Property, or as agreed by the Association and the party Leasing Association Property or Common Elements, pursuant to an oral or written Lease agreement, or fees authorized by this Declaration.
- 10.9. **Delegation.** The power to enter into contracts with others, for valuable consideration, for Maintenance and management of the Association Property and Association Property and, in connection therewith, to the extent permitted by applicable law and unless otherwise provided in this Declaration, the power to delegate such power or its other powers and rights under this Declaration to its Officers, committees, management, or other agents, including, without limitation, the making and collecting of Assessments and other Charges against Unit Owners, and perfecting liens for non-payment thereof.
- 10.10. **Regulations.** The power to adopt and amend Rules and Regulations covering the details of the operations and use of the Association Property.
- 10.11. **Limitation Upon Liability of Association.** The Association is not liable to Unit Owners for injury or damage, other than for the cost of Maintenance and repair caused by any latent condition of the Association Property. Further, the Association shall not be liable for any such injury or damage connected with any alterations or Improvements done by or on behalf of any Unit Owners, regardless of whether or not approved by the Association.
- 10.12. **Restraint upon Assignment of Shares in Assets.** The share of a Unit Owner in the funds and assets of the Association cannot be assigned, hypothecated, or transferred in any manner except as an appurtenance to his Unit.
- 10.13. **Approval or Disapproval of Matters.** Whenever the decision of a Unit Owner is required upon any matter, whether or not the subject of an Association meeting, such decision shall be expressed by the same person who would cast the vote of such Owner at an Association meeting, unless the joinder of record Owners is specifically required by this Declaration.
- 10.14. **Acts of the Association.** Unless the approval or action of the Unit Owners, or a certain specific percentage of the Board, is specifically required in this Declaration, the Articles or Bylaws, applicable Rules and Regulations or applicable law, all approvals, consents, or actions required or permitted to be given or taken by the Association shall be given or taken by the Board, without the consent of the Unit Owners, and the Board may so approve and act through the proper Officers of the Association without a specific resolution. The approval or consent of the Association or the Board shall be evidenced by a written instrument signed by any Director or Officer of the Association. When an approval, consent or action of the Association is permitted to be given or taken, such approval, consent or action may be conditioned in any manner the Association deems appropriate or the Association may refuse to take or give such approval, consent, or action without the necessity of establishing the

reasonableness of such conditions or refusal, except as herein specifically provided to the contrary.

11. ASSESSMENTS AND CHARGES. Assessments against Owners shall be made by the Board of Directors of the Association, in the manner provided in the Bylaws and as follows, and shall be borne by the Unit Owners on the basis set forth herein and elsewhere in these Governing Documents.

11.1. Determination of Assessments. Assessments by the Association against each Owner, and against each Unit, shall be based upon the annual budget, adopted by the Board as specified herein. The Assessment for each Unit shall be a pro rata share in relation to Member's ownership of Common Elements. Should the Board at any time and from time to time determine, in the sole discretion of the Board, that the Assessments levied are or may prove to be insufficient to pay the costs of operation and management of the Association, or in the event of emergencies, the Board shall have the authority to levy such additional Assessments as it shall deem necessary. Any such change shall be adopted consistent with the provisions of the Bylaws.

11.1.1. Annual Budget. The Board shall, in accordance with the Bylaws of the Association, establish an annual budget in advance for each fiscal year. The annual budget shall be detailed and shall show the amounts budgeted by accounts and expense classifications, including, if applicable, but not limited to, those expenses set forth in Section 718.504(21) of the Florida Statutes.

11.1.2. General Operating Reserve. The Board, when establishing each annual budget, may, when deemed necessary or desirable, include therein a sum to be collected and maintained as a general operating reserve to provide a measure of financial stability during periods of special stress when such sums may be used to meet deficiencies from time to time existing as a result of delinquent payment of Assessments by Owners, as a result of emergencies, structural integrity reserve studies, or for other reason placing financial stress upon the Association. The annual amount allocated to such "non-statutory operating reserves" and collected therefore shall not exceed ten percent (10%) of the current annual Assessment levied against the Owners of all Parcels. Upon accrual in the operating reserve of an amount equal to twenty-five percent (25%) of the current annual Assessment, no further payments shall be collected from the Owners as a contribution to such operating reserve, unless it shall be reduced below the twenty-five percent (25%) level, in which event the annual Assessment against each Owner and Unit may be increased to restore the operating reserve to an amount which will equal twenty-five percent (25%) of the current annual amount of said Assessment.

11.2. Liability for Assessments and Charges. A Unit Owner is liable for all Assessments and Charges coming due while he is the Unit Owner. Except as provided in the Act specifically Florida Statute Chapter 718.116, as amended from time to time, any person which acquires title to a Unit is jointly and severally liable with his predecessor in title for all unpaid Assessments and Charges against the predecessor for his share of the Charges and Assessments, including interest, late fees, reasonable attorneys' fees and other costs and expenses of collection incurred by the Association up to the time of the transfer, without prejudice to any right the transferee may have to recover from the transferor the amounts paid on behalf of the transferor by the transferee.

- 11.3. No Waiver or Excuse from Payment.** The liability for Assessments may not be avoided or abated by waiver of the use or enjoyment of any Common Elements, by abandonment of the Unit for which the Assessments are made, or by interruption in the availability of the Unit or the Common Elements for any reason whatsoever. No Owner may be excused from payment of his share of the Common Expenses unless all Owners are likewise proportionately excused from payment, except as provided below as to certain mortgagees.
- A First Mortgagee acquiring title to a Unit as a result of foreclosure, or deed in lieu of foreclosure, may not, during the period of its ownership of such Unit, whether or not such Unit is unoccupied, be excused from the payment of some or all of the Common Expenses coming due during the period of such ownership.
- 11.4. Delinquency or Default.** The payment of any Assessment or installment thereof due to the Association shall be in the default if not paid to the Association on or before the due date thereof. The Association may accelerate Assessments of an Owner delinquent in payment of any Assessment or installment thereof due. Accelerated Assessments shall be due and payable on the date the claim of lien is filed. Such accelerated Assessments shall include the amounts due for the remainder of the budget year in which the claim of lien is filed.
- 11.5. Failure to Pay: Interest and Late Fees.** Assessments and installments thereon paid on or before ten (10) days after the date due shall not bear interest, but all sums not so paid shall bear interest at the highest rate allowed by law, calculated from the date due until paid. Assessments shall be deemed paid when received by the Association. The Association may also impose a late payment fee (in addition to interest) to the extent permitted by law. All payments on account shall be applied first to interest, then to late payment fees, court costs and attorney's fees, and finally to delinquent Assessments. No payment by check is deemed received until the check has cleared.
- 11.6. Recording of Priority of Lien.** The lien of the Association shall be effective from and after recording in the Public Records of the County, a claim of lien stating the description of the Unit encumbered thereby, the name of the record Owner and the amount and date when due. No such lien shall continue for a longer period than one year after the claim of lien has been recorded unless, within that time, an action to enforce the lien is commenced in a court of competent jurisdiction. Such claims of lien shall include only Assessments which are due and payable when the claim of lien is recorded, plus interest, costs, attorney's fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided. Such claims of lien shall be signed and verified by an Officer or agent of the Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record. The lien of the Association shall be subordinate and inferior to the lien of any recorded first mortgage, unless the Association's Claim of Lien was recorded before the mortgage, but is superior to, and takes priority over, any other mortgage or lien regardless of when the mortgage or lien was recorded. Any Lease of a Unit is subordinate and inferior to any Claim of Lien of the Association, regardless of when the Lease was executed.
- 11.7. Notice of Intention to Foreclose Lien.** So long as required by law, no foreclosure judgment may be entered until at least forty-five (45) days after the Association gives written notice to the Owner of its intention to foreclose its lien to collect the unpaid Assessments or Charges. The notice must be given by delivery of a copy of it to the Owner or by certified mail, return receipt requested, addressed to the Owner at his last known address; and, upon such mailing,

the notice shall be deemed to have been given. If after diligent search and inquiry the Association cannot find the Owner or a mailing address at which the Owner will receive the notice, the court may proceed with the foreclosure action and may award attorneys' fees and costs as permitted by law. The notice requirements of this provision are satisfied if the Owner records a Notice of Contest of Lien as provided in the Act. The notice requirements do not apply if an action to foreclose a mortgage on the Unit is pending before any court; if the rights of the Association would be affected by such foreclosure; and if actual, constructive, or substitute service of process has been made on the Owner.

- 11.8. Other Remedies.** The Board has the authority to impose such other remedies or sanctions permitted by the Act pertaining to non-payment of monetary obligations to the Association. Without limitation, the same include suspension of use rights in Common Elements and Association Property; suspension of voting rights; suspension of the right to serve on the Board; the attachment of Rental income; denial of Lease approval requests; and acceleration.

11.8.1. Suspension of Use and Voting Rights. If an Owner is delinquent for more than 90 days in paying a monetary obligation due to the Association, the Association may suspend the right of an Owner or an Occupant, Tenant, Licensee, or Invitee to use Common Elements, Common Facilities, or any other Association Property until the monetary obligation is paid. The Association may also suspend the voting rights of an Owner due to nonpayment of any monetary obligation of one thousand (\$1,000.00) dollars or more to the Association which is more than ninety (90) days delinquent for so long as the Owner remains delinquent.

11.8.2. Attachment of Rental Income. Notwithstanding any other remedy available to the Association under this Declaration, the Bylaws, or applicable law, the Association shall have the following options when payment of Assessments or Charges are in default (more than ten days in arrears). The Association may, without order of the Court, direct Rental income (by written notice to the Tenant with copy to Unit Owner) from Units in default to be paid directly to the Association until all outstanding Assessments, Charges, other monetary obligations, interest, late fees, costs, collection expenses, attorneys' fees and receiver's fees, if applicable, are paid in full. As an alternative, the Association may apply to a Court of competent jurisdiction, either in connection with a foreclosure suit, a personal suit, or otherwise, to have Rental proceeds paid on account of a Unit in default paid directly to the Association, the court registry, or a receiver, as the Court may direct. The Association may choose any of these courses of action, or other remedies as may be prescribed by law or elsewhere in the Governing Documents, as the Board deems appropriate, without same constituting a waiver or election of remedies.

- 11.9. Lien for Charges.** Except as prohibited by law, there is created by this Declaration a common law and contractual lien to secure payment for any service which the Association provides for an individual Owner or expenses which the Association incurs in regard to an Owner and which are not otherwise secured by the statutory lien for Common Expenses. By way of example, but not limitation, a Lien for Charges exists to secure repayment to the Association for provided utilities or services, such as water, and when it must remove or reinstall Owner alterations or additions or other items of Owner insurance, or Maintenance

responsibility in connection with the Association's discharge of its Common Element Maintenance responsibilities, or address emergency situations, such as water extraction from a Unit. The Lien for Charges shall be of equal priority to, shall accrue interest and late fees, and shall be foreclosed in the same manner as the Common Expense lien, i.e. as an "assessment," including the right to recover attorneys' fees, costs, and expenses of collection.

11.10. Certificate As To Assessments. Within ten (10) business days after request by a Unit Owner, Unit purchaser or mortgagee, the Association shall provide a certificate (sometimes referred to as an "estoppel letter") stating whether all Assessments and other monies owed to the Association by the Unit Owner with respect to the Condominium Parcel have been paid. Any person other than the Owner who relies upon such certificate shall be protected thereby. The Association or its authorized agent may charge a reasonable fee as allowed by law for the preparation of the certificate.

12. LEASING. The ability of a Unit Owner to lease his or her Unit to others is a privilege, not a right. The privilege may be revoked by the Board of Directors if it is abused by the Owner.

12.1. Regulation by Association. The Board of Directors shall have the authority to approve or disapprove all Leases and Rentals.

12.2. Notice by the Owner. An Owner intending to Lease their Unit shall give to the Board or its designee written notice of such intention at least twenty (20) days prior to the first day of Occupancy under the Lease together with the name and address of the proposed Lessee and Occupants, a fully executed copy of the proposed Lease, and such other information as the Board may reasonably require including but not limited to a credit report, background check, and proof of lawful residency. The Board of Directors may exercise discretionary power in certain special, or emergency situation(s) to expedite the approval process. Any Owner that fails to complete the necessary paperwork and/or pay all applicable fees will be in violation, and subject to a fine. The Board shall have the right to delegate the screening of proposed Tenants to a committee, or a commercial Tenant screening concern.

12.3. Term of Lease. Leasing during the thirty-six (36) months of ownership is prohibited. No Unit may be leased for a term of less than sixty (60) days. No Unit may be leased more often than three (3) times in any calendar year. The first day of the occupancy under the Lease shall determine in which year the Lease occurs. Lease Renewals are not automatic. Sub-Leasing is not permitted. Renting of rooms is strictly prohibited.

12.3.1. Exceptions to Lease Restriction. An Owner that takes title to a Unit after the effective date and has not owned the Unit for thirty-six (36) consecutive months may be allowed to lease their Unit in the following situation:

12.3.1.1. Inheritance. Ownership was attained through inheritance from the previous Owner, who owned the Unit for thirty-six (36) consecutive months.

12.3.1.2. Lease-Back. A new owner wishing to lease the Unit back to the

previous Owner, who owned the Unit for at least thirty-six (36) consecutive months, can do so for a period of not more than 180 days. The thirty-six (36) month restriction for Leasing the Unit would begin after the 'Lease-Back' period ended.

12.3.1.3. If the Ownership was procured under one of the above situations, then the Board of Directors has the right to grant an exception allowing the Owner to Lease the Unit, provided the Board of Directors grant the exception in writing.

12.4. Fees and Deposits for the Lease of Unit. Whenever herein the Board's approval is required to allow the Lease of a Unit, the Association may charge the Owner a preset fee in addition to the costs of any background and credit checks for processing the application. Such fee shall not exceed the maximum amount allowed by law.

12.5. Board Action. After the required notice and all information or interviews requested have been provided, the Board shall have twenty (20) days in which to approve or disapprove the proposed Lease. If the Board neither approves nor disapproves within that time, its failure to act shall be deemed the equivalent of an approval, and on demand the Board shall issue a written letter of approval to the Lessee.

12.6. Disapproval Criteria. A proposed Lease shall be disapproved only if a majority of the whole Board so votes, and in such case the Lease shall not be made. Appropriate grounds for disapproval shall include, but not be limited to, the following "Disapproval Criteria":

12.6.1. The Person seeking approval (which includes all proposed Occupants or Residents) has been convicted of, pled no contest to, or has been released from incarceration, probation or community control for:

12.6.1.1. a capital, first, or second degree felony involving violence to persons or property, or a felony demonstrating dishonesty or moral turpitude;

12.6.1.2. a felony involving damage to or theft of property;

12.6.1.3. a felony involving sexual battery, sexual abuse, or lewd and lascivious behavior;

12.6.1.4. a first or second degree felony involving illegal drugs;

12.6.1.5. any drug offense involving the manufacture and/or distribution of illegal drugs.

12.6.2. The Person seeking approval has been labeled a sexual offender or a sexual predator by any governmental or quasi-governmental agency regardless of when that label occurred;

- 12.6.3. The application for approval on its face, or the conduct of the applicant, indicates that the person seeking approval intends to conduct himself in a manner inconsistent with the covenants and restrictions applicable to the Association.
- 12.6.4. The proposed Occupant makes any material misrepresentation during the application process, which shall justify retroactive disapproval of the application upon discovery of the misrepresentation.
- 12.6.5. The Person seeking approval has a history of disruptive behavior or disregard for the rights and property of others as evidenced by his conduct in other housing facilities or associations, or by his conduct in this Association as a Tenant, Resident, Occupant or Guest;
- 12.6.6. By way of example, but not limitation, an Owner allowing a Tenant or transferee to take possession of the premises prior to approval by the Association as provided for herein shall constitute a presumption that the applicant's conduct is inconsistent with applicable restrictions.
- 12.6.7. The Owner or Person seeking approval has failed to provide the information, fees or appearances required to process the application in a timely manner or has made material misstatements or withheld material or information during the application process;
- 12.6.8. The Owner has a history of Leasing their Unit without obtaining approval, or Leasing to troublesome Lessees or refusing to control or accept responsibility for the Occupancy of their Unit;
- 12.6.9. The Owner has a history of disregarding the Rules and Regulations of the Association, including without limitation, prior covenant violations, delinquencies or disregard of the Leasing provisions.
- 12.6.10. The real estate company or rental agent handling the Leasing transaction on behalf of the Owner has a history of screening Lessee applicants inadequately, recommending undesirable Lessees, or entering into Leases without prior Association approval;
- 12.6.11. All Assessments, fines and other Charges against the Unit have not been paid in full.
- 12.7. **Unapproved Leases.** Any Lease of a Unit not approved pursuant to this Section shall be void and unenforceable unless subsequently approved by the Board. The Association shall have the right to evict the Tenant without securing the consent from the Owner. For the purpose of such eviction, the Association shall be deemed to be an agent of the landlord and all attorney fees and costs shall be the responsibility of the Owner and shall constitute a Charge and may be collected as a delinquent Assessment as provided for in this Declaration.
- 12.8. **Tenant Agreement to Covenants.** All of the provisions of the Governing Documents and the Rules and Regulations of the Association shall be applicable and enforceable against any person Occupying a Unit as a Lessee or Guest to the same extent as against the Owner.

A covenant on the part of each Occupant to abide by the Rules and Regulations of the Association and the provisions of the Governing Documents, designating the Association as the Owner's agent with the authority to terminate any Lease agreement and evict the Tenants in the event of breach of such covenant, shall be deemed to be included in every Lease agreement, whether oral or written, and whether specifically expressed in such agreement or not. All Leases shall be deemed to provide that a violation of the Governing Documents is grounds for damages, termination, and eviction and that the Tenant and the Owner agree that the Association may proceed against either the Owner or the Tenant and the Owner or the Tenant shall be responsible for the Association's costs and expenses, including attorney fees and costs, secured by a lien against the Unit.

12.9. Collateral Assignment of Rents. In the event an Owner is in default in payment of Assessments for Common Expenses or any other monetary amounts owed to the Association, the Association shall have the authority to collect rents directly from the Owner's Tenant. The authority granted in this Section is in addition to any authority granted by law.

purposes stated herein and for the benefit of the Unit Owners and their mortgagees in the following shares:

- 16.7.1. **Common Elements.** Proceeds on account of damage to Common Elements shall be held in as many undivided shares as there are Units, the share of each Unit Owner being the same as his share in the Common Elements.
- 16.7.2. **Unit.** Proceeds on account of damage within the Units shall be held in undivided shares based on the prorated amount of damage within each damaged Unit as a percentage of the total damage within all Units.
- 16.7.3. **Mortgages.** In the event that a mortgage endorsement has been issued as to a Unit, the share of that Unit Owner shall be held in trust for the mortgagee and the Unit Owner as their interests may appear; provided, however, that no mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds.
- 16.8. **Distribution of Proceeds.** All proceeds of insurance policies purchased by the Association shall be payable to the Association. The duty of the Association shall be to receive such proceeds and hold and disburse them in accordance with the following:
 - 16.8.1. **Reconstruction or Repair.** If the damage for which the proceeds are paid is to be repaired or reconstructed, the proceeds shall be paid to defray the cost thereof as elsewhere provided. Any proceeds remaining after defraying such costs shall be distributed to the Unit Owners, or, at the option of the Board, may be deposited in the Association's reserve fund.
 - 16.8.2. **Failure to Reconstruct or Repair.** If it is determined in the manner elsewhere provided that the damage for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed in accordance with the Plan of Termination.
- 16.9. **Unit Owner's Personal Coverage.** Each Owner is responsible for insuring the full replacement of real and personal property within their own Lot and Unit. Each Owner must recognize that they bear financial responsibility for any damage to their property or liability to others that would otherwise be covered by such insurance. It shall be the obligation of the individual Unit Owner, if such Owner so desires, to purchase and pay for insurance as to all such and other risks not covered by insurance carried by the Association.
 - 16.9.1. **Hazard and Liability Insurance.** Each Unit shall carry hazard and liability insurance including endorsements for leakage, seepage and wind-driven rain, additions and alterations, and loss assessment protection, or recognize that he bears financial responsibility for any damage to his property or liability to others that would otherwise be covered by such insurance. Every hazard insurance policy issued or renewed to an individual Unit Owner shall provide that the coverage afforded by such policy is excess over the amount recoverable under any other policy covering the same property. Each insurance policy issued to an individual Unit Owner providing such coverage shall be without rights of

subrogation against the Association that operates the Condominium in which such Unit is located. All real or personal property located within the boundaries of the Unit which is excluded from the coverage to be provided by the Association shall be insured by the individual Unit Owner including all floor, wall, and ceiling coverings, electrical fixtures, appliances, air-conditioner or heating equipment, water heaters, water filters, built-in cabinets and countertops, and window treatments, including curtains, drapes, blinds, hardware, and similar window treatment components, or replacements of any of the foregoing which are located within the boundaries of a Unit and serve only one Unit and all air-conditioning compressors that service only an individual Unit, whether or not located within the Unit boundaries. Owners shall also insure all Improvements, additions and modifications (as opposed to replacements of original construction) made to their Unit or Limited Common Elements whether made by themselves or their predecessors in title.

17. CONDEMNATION.

17.1. Deposit of Awards with Association. The taking of all or any part of the Condominium Property by condemnation shall be deemed to be a Casualty to the portion taken. Awards for the taking shall be deemed to be proceeds from insurance on account of the Casualty. Even though the awards may be payable to Owners, the Owners shall deposit the awards with the Association; and if any fail to do so, a special Charge shall be made against a defaulting Owner in the amount of his award, or the amount of that award shall be set off against any sums payable to that Owner.

17.1.1. Determination Whether to Continue Condominium. Whether the Condominium will be continued after a taking by condemnation will be determined in the same manner provided for determining whether damaged property will be reconstructed or repaired after a Casualty. For this purpose, the taking of condemnation shall be deemed a Casualty.

17.1.2. Disbursement of Funds. If the Condominium is terminated, the proceeds of all awards and other payments will be deemed Association Property and shall be owned and distributed in the manner provided for insurance proceeds when the Condominium is terminated after a Casualty. If the Condominium is not terminated, but the size of the Condominium will be reduced, the Owners of Units to be diminished or eliminated, if any, will first be made whole, and any property damaged by the taking will be made usable in the manner provided below. Proceeds of awards and special Assessments shall be used for these purposes and shall be disbursed in the manner provided for disbursements of funds by the Association after a casualty.

17.1.3. Units Reduced but Habitable. If the taking reduces the size of a Unit and the remaining portion of the Unit can be made habitable, the awards for the taking of a portion of that Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominiums:

- 17.1.3.1. **Restoration of Unit.** The Unit shall be made habitable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be assessed against the Owner of the Unit.
- 17.1.3.2. **Distribution of Surplus.** The balance of the award, if any, shall be distributed to the Owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the Owner and mortgagee(s).
- 17.1.3.3. **Adjustment of Shares in Common Elements.** The shares in the Common Elements appurtenant to the Units that continue as part of the Condominium shall be adjusted to equitably distribute the ownership of the Common Elements among the changed number of Units.
- 17.1.3.4. **Assessments.** If the amount of the award for the taking is not sufficient to pay the fair market value of the condemned Unit to the Owner and to recondition the remaining portion of the Unit, the amount required for those purposes shall be raised by special Assessments against all of the Unit Owners who will continue as Unit Owners of any Unit after the changes in the Condominiums affected by the taking.
- 17.1.4. **Unit Made Not Habitable.** If the condemnation is of an entire Unit or reduces the size of a Unit so that it cannot be made habitable, the award for the taking of the Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium:
 - 17.1.4.1. **Payment of Award.** The award shall be paid first to all Institutional First Mortgagees in an amount sufficient to pay off their mortgages due from those Units which are not habitable; second to the Association for any due and unpaid Assessments; third jointly to the Owners and mortgagees of Units not in an amount to exceed the fair market value of the Unit immediately prior to the taking and with credit being given for payments previously reserved for Institutional First Mortgagees; and the balance, if any, to repairing and replacing the Common Elements.
 - 17.1.4.2. **Addition to Common Elements.** If possible and practical, the remaining portion of the Unit shall become a part of the Common Elements and shall be placed in condition for use by some or all Owners in a manner approved by the Board of Directors, provided that if the cost of the work shall exceed the balance of the fund from the award for the taking, the work shall be approved in the manner elsewhere required for further Improvement of the Common Elements.
 - 17.1.4.3. **Adjustment of Shares in Common Elements.** The shares in the Common Elements appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the ownership of the Common Elements among the reduced number of Units. This shall be done by restating the shares of the continuing Units in the Common Elements as percentages of the total numbers representing the shares of these as they existed prior to the adjustment.

17.1.4.4. Assessments. If the amount of the award for the taking is not sufficient to pay the fair market value of the condemned Unit to the Owner and to condition the remaining portion of the Unit for use as a part of the Common Elements, the additional funds required for those purposes shall be raised by special Assessment against Units that will continue as Units after the changes in the Condominium affected by the taking. The Assessments shall be made in proportion to the shares of those Units in the Common Elements after the changes affected by the taking.

17.1.4.5. Arbitration. If the fair market value of a Unit prior to the taking cannot be determined by agreement between the Owner and mortgagee of the Unit and the Association within thirty (30) days after notice by either party, the value shall be determined by appraisal in accordance with the following. The Owner, or the first mortgagee, if any, and the Association shall each appoint one (1) certified real property appraiser, who shall appraise the Unit and determine the fair market value by computing the arithmetic average of their appraisals of the Unit. A judgment of specific performance upon the fair market value calculated in this way may be entered in any court of competent jurisdiction. Each party shall bear the cost of his own appraiser.

17.1.4.6. Taking of Common Elements. Awards for the taking of Common Elements shall be used to make the remaining portion of the Common Elements useable in the manner approved by the Board; provided, that if the cost of the work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner elsewhere required for further Improvement of the Common Elements. The balance of the awards for the taking of Common Elements, if any, shall be distributed to the Owners in the shares in which they own the Common Elements after adjustment of these shares on account of the condemnation. If there is a mortgage of a Unit, the distribution shall be paid jointly to the Owner and the mortgagees of the Unit.

17.2. Amendment of Declaration. The changes in Units, in the Common Elements, and in the ownership of the Common Elements that are affected by condemnation shall be evidenced by an amendment to the Declaration that need be approved by two-thirds (2/3rds) of all Directors.

18. TERMINATION OF CONDOMINIUM. The Condominium may be terminated under the following alternatives:

18.1. Election. The Condominium shall continue until: (i) terminated by casualty loss, condemnation or eminent domain, as more particularly provided in this Declaration, or (ii) termination of the covenants herein and withdrawal of the Condominium Property from the provisions of the Act by authorization of all Voting Interest in the Association together with the holders of all recorded liens on same.

- 18.2. Major Damage.** There is a destruction of improvements by fire or other casualty in such manner that the apartment building shall not be reconstructed because of major damage as elsewhere herein provided.
- 18.3. Certificate of Termination.** The termination of the Condominium shall be evidenced by a Certificate of Termination, executed by the President or Vice President with the formalities of a deed and certifying as to the facts affecting the termination.
- 18.4. Wind-up of Association Affairs.** The termination of the Condominium does not by itself terminate the Association. The former Owners and their successors and assigns shall continue to be Members of the Association, and the Members of the Board and the Officers of the Association shall continue to have the powers granted in this Declaration, and in the Articles of Incorporation and Bylaws, for the purpose of winding-up the affairs of the Association in accordance with this Section.
- 18.5. Procedures for Termination and Sale.** The termination of the Condominium via any method set forth herein shall be as set forth in Section 718.117(4)-(20) of the Act as same is amended from time to time.
- 18.6. Provisions Survive Termination.** The provisions of this Section are covenants running with the land, and shall survive the termination of the Condominium until all matters covered by those provisions have been completed. The Board shall continue to function in accordance with the Bylaws and Articles of Incorporation, and shall have the power to levy Assessments to pay the costs and expenses of Maintaining the Property until it is sold. The costs of termination, as well as post-termination costs of Maintaining the former Condominium Property, are Common Expenses, the payment of which shall be secured by a lien on the beneficial interest owned by each former Owner, which to the maximum extent permitted by law, shall be superior to, and take priority over, all other liens.
- 18.7. Amendment.** This Article may be amended in the same manner in which this Declaration may be amended generally, as set forth in herein.
- 19. COMPLIANCE AND DEFAULT.** Each Owner and the Association shall be governed by and shall comply with the terms of this Declaration and all exhibits annexed hereto, and the Rules and Regulations adopted pursuant to those documents, as the same may be amended from time to time. The Association and Owners shall be entitled to the following relief in addition to the remedies provided by the Act:
- 19.1. Negligence.** A Unit Owner shall be liable for any damage, liability, cost, expense, Maintenance, repair, or replacement rendered necessary by his act (neglect, carelessness or intentional), or by that of any member of his Family, or their contractors, Guests, Invitees, employees, agents or Tenants. In the event that an Owner fails or refuses to pay such cost or expense upon demand from the Association, the cost or expense shall become a lien on the Unit and shall be collected in the same manner as Assessments.
- 19.2. Failure to Maintain.** In the event an Owner fails to Maintain their Unit in the manner herein required, the Association or any other Owner shall have the right to proceed in a court of equity to seek compliance; or the Association shall have the right to assess the Owner and the Unit for the sums necessary to do whatever work is required to put the

Owner in compliance herewith, and to collect such Assessments and have a lien therefor as elsewhere provided. In addition, the Association shall have the right, for itself and its employees and agents, to enter the Unit and perform the necessary work to enforce compliance with the above provisions.

- 19.3. **Fines and Suspension of Rights.** The Directors may, pursuant to F.S. 718.303, impose fines not to exceed the maximum permissible by law, and suspend the right to use Common Elements, Common Facilities, or any other Association Property, as permitted by the Act, for failure by Owners, Occupants, Tenants, Guests, Licensees, Invitees, or any Family member thereof to comply with the provisions of the Board policies and resolutions, the Governing Documents, including the Rules and Regulations, and applicable laws.
- 19.4. **Costs and Attorneys' Fees.** In any legal proceeding arising out of an alleged failure of an Owner, other Occupant, Tenant, or Invitee, Guest, or Family member of any of the foregoing, or the Association to comply with the requirements of the Act or the Governing Documents, as amended from time to time, the prevailing party is permitted to recover the costs and expenses of the proceeding and reasonable arbitration, mediation, pre-litigation, trial or appellate attorneys' fees and costs incurred therein or incident to any such proceeding.
- 19.5. **Waiver of Rights.** The failure of the Association or of a Member to enforce any right, provision, covenant or condition which may be granted by the Governing Documents shall not constitute a waiver of the right of the Association or Member to enforce such right, provision, covenant or condition in the future. A provision of the Act may not be waived by an Owner if the waiver would adversely affect the rights of the Owner or defeat the purpose of the provision, except that Owners or Directors may waive notice of specific meetings as provided in the Bylaws.
- 19.6. **No Election of Remedies.** All rights, remedies and privileges granted to the Association or Owners under any terms, provisions, covenants, or conditions of the Governing Documents shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party from exercising such other additional rights, remedies, or privileges as may be granted by the Governing Documents, or at law or in equity.
- 19.7. **Right of Association to Evict Tenants, Occupants, Guests, and Invitees.** With respect to any person present in any Unit or any portion of the Condominium Property, other than an Owner and the members of their immediate Family permanently residing with them in the Unit, if such person shall materially violate any provision of this Declaration, the Articles, the Bylaws, or the Rules and Regulations, or shall create a nuisance or an unreasonable and continuous source of annoyance to the Residents of the Condominium, or shall damage or destroy any Common Elements or Association Property, then upon written notice by the Association such person shall be required to immediately leave the Condominium Property and if such person does not do so, the Association is authorized to commence an action to compel the person to leave the Condominium Property and, where necessary, to enjoin such person from returning. The expense of any such action, including attorneys' fees, may be charged to the applicable Unit Owner who such person was visiting, or with whose permission such person was present on the Condominium Property, and the Association may collect such sum and have a lien for same as elsewhere provided. The foregoing shall not be

deemed to limit, modify, or affect any other rights or remedies available to the Association, or any rights or remedies the Association may have with respect to similar actions by an Owner or a member of their immediate Family residing with them in the Unit. Any eviction of a Tenant shall be accomplished in compliance with any applicable provisions of the Florida Landlord and Tenant Act, Florida Statutes, Chapter 83.

20. METHOD OF AMENDMENT OF DECLARATION. Except as elsewhere provided otherwise, this Declaration may be amended in the following manner:

- 20.1. Proposal of Amendments.** An amendment may be proposed by the President of the Association, a majority of Directors, or by twenty (20%) percent of the entire Voting Interests.
- 20.2. Notice.** The subject matter of proposed amendments shall be included in the notice of any meeting at which a proposed amendment is to be considered or in connection with documentation for action without a meeting.
- 20.3. Vote Required.** Except as otherwise provided by law, or by specific provision of the Governing Documents, this Declaration may be amended if the proposed amendment is approved at an annual or special meeting of the Members called for the purpose, provided that notice of the proposed amendment has been given to the Members in accordance with law. A resolution for the adoption of a proposed amendment may be adopted by a vote of not fewer than two-thirds (2/3rds) of the total Voting Interests of the Association. Amendments may also be approved by written consent of two-thirds (2/3rds) of the total Voting Interests in the Association.
- 20.4. Recording and Effective Date.** A copy of each amendment shall be attached to a certificate of the Association certifying that the amendment was duly adopted, which certificate shall include the recording data identifying this Declaration and shall be executed by the President and Secretary of the Association with the formalities of a deed. The amendment shall be effective when such certificate and copy of the amendment are recorded amongst the public records of the County in which the Condominium is located. Promptly following the effectiveness of this Declaration or of any such amendment, the Association shall provide written notice thereof to each Owner.
- 20.5. Automatic Amendment.** Whenever the Act, Chapter 617, Florida Statutes, or other applicable statutes or administrative regulations, as amended from time to time, are amended to impose procedural requirements less stringent than set forth in this Declaration, the Board may operate the Association pursuant to the less stringent requirements without the need to change this Declaration. The Board, without a vote of the Owners, may also adopt by majority vote, amendments to this Declaration as the Board deems necessary to comply with such operational changes as may be enacted by future amendments to Chapters 607, 617, and the Act, or such other statutes or administrative regulations as required for the operation of the Association, all as amended from time to time.
- 20.6. Proviso.** To the extent required by applicable law and judicial precedent, no amendment shall change the configuration of any Unit or the share in the Common Elements appurtenant to it, or increase the Owner's proportionate share of the Common Expenses, unless the Owner of the Unit concerned and all record Owners or other holders of the mortgages on such Unit shall join in the execution of the amendment, and all other Owners

approve the amendment. It is the express intention of the Owners that this provision shall not be interpreted or construed to be applicable to the adoption of this Declaration and to the amendments contained herein which have been made to the prior Declarations of Condominium, as previously amended.

 - 2.2. **Voting Interests.** The Members of the Association are entitled to one (1) vote for each Unit owned by them. The total number of possible votes (the Voting Interests) of the Association is the total number of Units. The vote of a Unit is not divisible. The Association may suspend the voting rights of a Member for the nonpayment of any monetary obligation due to the Association that is more than ninety (90) days delinquent. 3. MEMBERS' MEETINGS; VOTING.

Proof of posting shall be given by Affidavit, and proof of mailing of the notice shall be given by retention of post office receipts and electronic receipts. Attendance at any meeting by a Member constitutes waiver of notice by that Member unless the Member objects to the lack of notice at the beginning of the meeting. A Member may also waive notice of any meeting at any time by written waiver.

- 3.4. **Quorum.** A quorum at Members' meetings shall consist of persons entitled to cast a majority of the Voting Interests of the entire membership. Decisions made by a majority of the Voting Interests present and voting, in person or by proxy, at a meeting at which a quorum is present, shall be binding and sufficient for all purposes except such decisions as may by the Act or the Governing Documents require a larger percentage, in which case the percentage required in the Act or the Governing Documents shall govern. To the extent lawful, Members may join in any action taken at a meeting of the Members through written approval of such action executed after the meeting, and such approval shall be as though the Member duly approved the action of the meeting in question.
- 3.5. **Indivisible Vote.** Each Unit shall have one (1) indivisible vote. No individual may cast a vote assigned to a Unit where the voting rights assigned to the Unit are suspended pursuant to the terms of the Governing Documents and Florida law.

- 3.7. **Voting Certificate.** If a Unit is owned by more than one individual, a corporation, a partnership or a trust, the Board will require the use of a Voting Certificate identifying the Member with authority to vote on behalf of each such Unit. A Voting Certificate may be revoked at any time by an Owner with a share of the Unit.
- 3.8. **Proxies.** Votes may be cast in person or by proxy. A proxy shall be valid only for the particular meeting for which it is given and any adjournment thereof, and in no event shall such proxy be valid for more than ninety (90) days after the original meeting date. A proxy may permit a proxy holder to appoint a substitute to act in his place. Every proxy shall be revocable at the pleasure of the person executing it. To be valid, a proxy must be in writing, dated, signed by the person authorized to cast the vote for the Unit, specify the date, time, and place of the meeting for which it is given, and the original must be delivered to the Secretary by the appointed time of the meeting or adjournment thereof. No proxy shall be valid if it names more than one (1) person as the holder of the proxy, but the holder shall have the right, if the proxy so provides, to substitute another person to hold the proxy. No proxy, limited or general, shall be used in the election of Board Members.
- 3.9. **Participation at Meeting By Remote Communication.** Unless prohibited by the Act, if authorized by the Board as provided in Section 617.0721 F.S., and subject to such guidelines and procedures as the Board may adopt, Members and proxy holders who are not physically present at a meeting may, by means of remote communication:
- 3.9.1. Participate in the meeting.
- 3.9.2. Be deemed to be present in person and vote at the meeting if:
- 3.9.2.1. The corporation implements reasonable means to verify that each person deemed present and authorized to vote by means of remote communication is a Member or proxy holder; and

The corporation implements reasonable measures to provide such Members or proxy holders with a reasonable opportunity to participate in the meeting and to vote on matters submitted to the Members, including an opportunity to communicate and to read or hear the proceedings of the meeting substantially concurrent with the proceedings.

3.10. **Adjournment.** Any duly called meeting of the Members may be adjourned to be reconvened at a later time by vote of the majority of the Voting Interests present, regardless of whether a quorum has been attained. Any business which might have been conducted at the meeting as originally scheduled may instead be conducted when the meeting is reconvened, but only if a quorum is present.

3.11. **Order of Business.** The order of business at annual Members' meetings and, as far as applicable at all other Members' meetings, shall be substantially as follows:

- A. Election of a Chairman of the meeting, unless the President or Vice-President of the Association is present then they shall preside.
- B. Collection of election ballots.

- E. Proof of notice of the meeting or waiver of notice;
- F. Disposal of unapproved minutes, if any;
- G. Reports of Officers, if any;
- H. Reports of Committees, if any;
- I. Unfinished business;
- J. Election of Directors (including Election of Directors);
- K. New business (including Announcement of the results of the election of Directors, if necessary);
- L. Adjournment.

Such order may be waived in whole or in part by direction of the Chairman.

3.12. **Parliamentary Rules.** Robert's Rules of Order (latest edition) shall be used as a general, non-binding guide in the conduct of Members' meetings, Board meetings, and committee meetings to ensure fairness, impartiality, and respect for minority views without unduly burdening majority rights. Meetings shall also be conducted in accordance with these Bylaws and the procedures established by the Board from time to time, including the form of voting documents to be used. The ruling of the Chair of the meetings, unless he or the Board designates a third person as Parliamentarian, shall be binding on all matters

of procedure, unless contrary to law. The failure or alleged failure to adhere to Robert's Rules of Order shall not be used as a basis to legally challenge any action of the Association.

3.13. Minutes. Minutes of all meetings of Members and of the Board of Directors shall be kept in a business-like manner and shall not be discarded at any time. These, plus records of all receipts and expenditures and all other official records, as defined in F.S. 718.111(12), shall be available for inspection by Members and Board Members at all reasonable times. However, the Directors may adopt reasonable rules regarding the frequency, time, location, notice, and manner of record inspections and any copying.

3.14. Action Without a Members Meeting. Unless prohibited by law, any action required to be taken or which may be taken at any Members meeting may be taken without a Members meeting, without prior notice, and without a vote of the Members if a consent in writing, setting forth the action so taken shall be signed by the Members (or persons authorized to cast the vote of any such Member as elsewhere herein set forth) holding not less than the minimum number of Voting Interests that would be necessary to approve such action. Within ten (10) days after obtaining such authorization by written consent, notice must be given to Owners who have not consented in writing. The notice shall fairly summarize the material features of the authorized action.

4. BOARD OF DIRECTORS. The administration of the affairs of the Association shall be by a Board of Directors. All powers and duties granted to the Association by law, as modified and explained in the Declaration, Articles of Incorporation, and these Bylaws, shall be exercised by the Board, subject to approval or consent of the Owners only when such is specifically required.

4.1. Number and Terms of Service. The affairs of the Association shall be administered and directed by a Board composed of not less than three (3) Directors. Directors shall serve a term of three (3) years. Directors once duly elected and qualified will serve until their successors are duly elected or until such Director's death, resignation or removal as provided herein. In order to provide for continuity of experience it is the intention of these Bylaws that a system of staggered terms may be created and thereafter maintained. To maintain a staggered Directorate, the Board may hold seats in future elections open for one, two, or three-year terms, when necessary or appropriate. In any election where candidates are elected for different terms, those candidates receiving the higher number of votes shall be elected to the lengthier seat.

4.2. Qualifications. Each Director must be a Member or the spouse of a Member. If a Unit is owned by a corporation, partnership or trust, any officer, director, partner or trustee, as the case may be, shall be eligible to be a Director. No more than one natural person may represent any one Unit on the Board at any given time.

4.2.1. Conflicts of Interest. No Director, or member of his immediate Family, may transact business with the Association, or have any financial interest in any contractor or entity that provides goods or services to the Association. No Director may transact personal business with any Association contractor except on terms at fair market value. No director may serve as the manager or managing

agent for the Association during his term as Director or within two years after the term expires. A Director shall promptly disclose in writing to the Board any actual or potential conflict of interest affecting the Director relative to his performance as a Director. A Director's failure to make such disclosure shall be grounds for removal by a majority vote of the other Board members. The Directors shall establish a conflict of interest policy for the employees of the Association.

4.3. Board of Directors Election; Notice and Procedure. The regular election of Directors shall occur as the first item of business at the annual meeting. The Act and the Florida Administrative Code ("FAC") which may be amended from time to time, contain detailed and specific provisions on the manner in which notices must be sent to Owners and the manner in which the elections must actually be held. Notwithstanding any terms to the contrary set forth in these Bylaws, the Association shall adhere to the provisions of the Act and the Florida Administrative Code and to the extent the Act or the FAC conflict with these Bylaws, the Act and FAC shall control.

- 4.3.1. First Notice; Candidates.** Not less than sixty (60) days before a scheduled election, the Association shall provide to each Member entitled to vote, a first notice of the date of the election. Any person desiring to be a candidate for the Board of Directors shall give written notice to the Association not less than forty (40) days before the scheduled election.
- 4.3.2. Second Notice; Candidate Information Sheets.** Not less than fourteen (14) days nor more than thirty-four (34) days before the election, the Association shall mail, transmit, or deliver a second notice of the election to all Members entitled to vote therein, together with a written secret ballot containing the names of all properly pre-qualified candidates, which that shall include an information sheet (if provided by the candidate), no larger than 8½ inches by 11 inches furnished by the candidate, to be included with the mailing of the ballot, with the costs of mailing and copying to be borne by the Association. The candidate information sheet must be received by the Association not less than thirty-five (35) days prior to the election.
- 4.3.3.** There is no quorum requirement necessary for an election. However, at least twenty percent (20%) of the Voting Interests of the Association must cast a ballot in order to have a valid election, and elections shall be decided by a plurality of those votes cast.
- 4.3.4.** In the event of a tie for a designated position on the Board, the tie shall be resolved by agreement of the candidates, if possible; otherwise a runoff election must be held in accordance with real 61B-23.0021 of the Florida Administrative Code.

- 4.3.5. In the event that there are only as many (or fewer) candidates pre-qualified for election as there are open seats on the Board, no election shall be held, and the pre-qualified candidates shall automatically become Members of the Board after the annual meeting.
- 4.3.6. The Board may establish additional election rules as it deems appropriate to ensure a fair election process. Substantial compliance with these Bylaws and the Act relative to election procedures is sufficient.
- 4.3.7. **Electronic Voting.** The Association may conduct the election of Directors through an internet-based online voting system if a written consent is received from the Owner and the provisions of Section 718.128, Florida Statutes, are allowed. A voting machine may also be used by those attending the meeting in person, and a Unit Owner who needs assistance in voting due to blindness, disability or inability to read or write may obtain assistance from a Member of the Board or other Unit Owner but no Unit Owner shall permit another person to cast their ballot and any such ballots improperly cast shall be deemed invalid.
- 4.4. **Vacancies.** Vacancies on the Board may be filled by appointment by a majority vote of the remaining Directors for the remainder of the unexpired term, unless the Board votes to have the vacancy filled by a special election of the Owners. When a Director has been recalled by the membership, the vacancy created by his removal cannot be filled with the same natural person as has been removed from the Board. When a majority of the Board has been recalled, vacancies shall be filled by the membership, as provided by law.
- 4.5. **Removal.** Any or all Directors may be removed with or without cause by a majority vote of the entire Voting Interests, either by a written petition, or at any meeting called for that purpose, in the manner required by the Act. A Special Members Meeting for recall may be called by Owners holding ten percent (10%) of the Voting Interests in the Association.
- 4.6. **Resignation.** Any Director of the Association may resign at any time, by a written instrument, including but not limited to notice provided via electronic mail to the President or Secretary. Resignations shall take effect at the time specified in the written instrument, and if no time is specified, resignations shall take effect at the time of receipt of such resignation. Resignations cannot be rescinded after being given, even if not effective until a later date. The acceptance of a resignation shall not be necessary to make it effective. Any Director or Officer more than 90 days delinquent in the payment of any monetary obligation due the Association shall be deemed to have abandoned the office, creating a vacancy in the office to be filled according to law.
- 4.7. **Organizational Meeting.** The organizational meeting of each newly-elected Board of Directors to elect Officers shall be held at such place and time as shall be fixed by the Directors, provided a quorum shall be present. Unless otherwise noticed, the organizational meeting shall be held no later than ten (10) days following the annual meeting of the Members.
- 4.8. **Regular Meetings of the Board.** Regular meetings of the Board may be held at such time and place as may be determined from time to time by a majority vote of the

Directors. Notice of regular meetings shall be mailed, transmitted, or delivered to each Director at least forty-eight (48) hours prior to the date of such meeting and notice shall be posted in a conspicuous place on the premises at least forty-eight (48) hours prior to the meeting. In an Association of more than 10 Units, the Board of Directors shall meet at least once each quarter. At least four times each year, the meeting agenda must include an opportunity for Members to ask questions of the Board.

- 4.9. **Special Meetings of the Board.** Special meetings of the Directors may be called by the President at any time and must be called at the written request of two (2) of the Directors. Members may call a special meeting by delivering to the Board a written petition setting forth the purpose of the special meeting of Members in good standing holding twenty (20%) percent of the total Voting Interests and such special meeting must be held within sixty (60) days after the Board's receipt of the petition. Except in the case of an emergency, not less than forty-eight (48) hours' notice of such meetings shall be given. Notice may be mailed, transmitted, or delivered, which notice shall state time, place, and purpose of the meeting and notice shall be posted in a conspicuous place on the premises at least forty-eight (48) hours prior to the meeting.
- 4.10. **Waiver of Notice.** Any Director may waive notice of a meeting before or after the meeting, and such waiver shall be deemed equivalent to the giving of notice provided herein. If all Directors are present at a meeting, no notice to Directors shall be required and any business may be transacted at such meetings.
- 4.11. **Notice to Owners of Board Meetings.** Meetings of the Board shall be open to Members except for meetings between the Board and its attorney with respect to proposed or pending litigation where the discussion would otherwise be governed by the attorney-client privilege. The right of Owners to attend Board meetings includes the right to speak on all designated agenda items subject to reasonable rules adopted by the Board governing the manner, duration, and frequency of doing so. Notices of all Board meetings shall be posted conspicuously in the community at least forty-eight (48) continuous hours in advance of each Board meeting, except in an emergency, and must contain an agenda of topics to be discussed. Notice of any Board meeting at which rules affecting the use of a Unit, special Assessments, or if an agenda item relates to the approval of a contract for goods or services are to be considered, the agenda shall specifically contain a statement that rules, special Assessments or contracts will be considered and the nature of the rule, Assessments, or contracts and shall be mailed, transmitted, or delivered to Members and posted at least fourteen (14) days in advance. If an agenda item relates to the approval of a contract for goods or services, a copy of the contract must be provided with the notice.
- 4.12. **Quorum of Board of Directors.** At all meetings of the Board, a majority of the Directors shall constitute a quorum for the transaction of business. Directors may participate in any meeting of the Board, or meeting of an executive or other committee, by means of a conference telephone call or similar communicative arrangement whereby all persons present can hear and speak to all other persons. Participation by such means shall be deemed equivalent to presence in person at a meeting.
- 4.13. **Vote Required.** The acts approved by a majority of those Directors present and voting at a meeting at which a quorum has been attained shall constitute the acts of the Board, except when approval by a greater number of Directors is required by the Governing Documents or by applicable statutes. A Director who is present at a meeting of the Board

is deemed to have voted in favor of every action taken unless they voted against such action or abstained from voting because of an asserted conflict of interest. The vote or abstention of each Director present on each issue voted upon shall be recorded in the minutes of each meeting. Directors may not vote by proxy or secret ballot at Board meetings, except that secret ballots may be used in the election or removal of Officers.

- 4.14. **Adjourned Meetings.** A majority of the Directors present at any meeting of the Board, regardless of whether a quorum exists, may adjourn the meeting to be reconvened at a specified later time. When the meeting is reconvened, provided a quorum is present, any business that might have been transacted at the meeting originally called may be transacted.
- 4.15. **Joinder by Directors.** The joinder of a Director in the action of a meeting by signing and concurring in the minutes of that meeting shall constitute the presence of such Director for the purpose of determining a vote, but not for determining a quorum.
- 4.16. **Presiding Officer.** The presiding Officer at Directors' meetings shall be the President, and in their absence, the Vice President. In the absence of the presiding Officer, the Directors present shall designate one of their number to preside. The presiding Officer may permit legal counsel or a managing agent to chair portions or the entirety of a Board meeting.
- 4.17. **Committees.** The Board may appoint from time to time such standing or temporary committees as the Board may deem necessary and convenient for the efficient and effective operation of the Association. Any such committee shall have the powers and duties assigned to it in the resolution creating the committee. Unless otherwise expressly required by law, the meetings of committees do not have to be conducted with the same formalities as required for meetings of the Board.
- 4.18. **Director Compensation.** Directors shall serve without pay but shall be entitled to reimbursement for expenses reasonably incurred. This provision shall not preclude the Board from employing an Officer or Director as an agent or employee of the Association.

- 5. **OFFICERS.** The executive Officers of the Association shall be the President, one or more Vice Presidents, a Treasurer, and a Secretary all of whom shall be elected annually by and from the Board, and who may be peremptorily removed by a majority vote of the Directors at any meeting. The Board may, from time to time, appoint such other Officers, and designate their powers and duties, as the Board shall find to be required to manage the affairs of the Association. Any person may hold two or more offices except that the President shall not also be the Secretary.

- 5.1. **President.** The President shall be the Chief Executive Officer of the Association, shall preside at all meetings of the Board and Association meetings. The President shall have general supervision over the affairs of the Association and shall have all of the powers and duties which are usually vested in the office of President of a corporation.
- 5.2. **Vice-President.** The Vice-President shall, in the absence or disability of the President, exercise the powers and perform the duties of the President. They shall also generally

assist the President and exercise such other powers and perform such other duties as shall be prescribed by the Directors.

- 5.3. **Secretary.** The Secretary shall keep the minutes of all proceedings of the Directors and the Members. They shall attend to the giving and serving of all notices to the Members and Directors and other notices required by law. They shall have custody of the seal of the Association and affix the same to instruments requiring a seal when duly signed. They shall keep and have custody of the records of the Association, except those of the Treasurer. They shall perform all other duties incident to the office of Secretary of the Association and as may be required by the Directors or the President.
- 5.4. **Treasurer.** The Treasurer shall have custody of all property of the Association, including funds, securities, and evidence of indebtedness. They shall keep the books of the Association in accordance with good accounting practices and shall perform all other duties incident to the office of the Treasurer of a corporation.
- 5.5. **Indemnification of Officers.** Every Director and Officer of the Association shall be indemnified by the Association against all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed upon them in connections with any proceedings to which they may be a party, or in which they may become involved, by reason of them being or having been an Officer or Director of the Association, or any settlement thereof, whether or not they are a Director or Officer at the time such expenses are incurred, except in such cases wherein the Director or Officer is adjudged guilty or willful misfeasance or malfeasance of these duties, provided that in the event of a settlement, the indemnification herein shall apply only when the Board approved such settlement and reimbursement as being for the best interest of the Association. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such Director or Officer may be entitled and not provided for.

6. **POWERS AND DUTIES OF THE BOARD OF DIRECTORS.** All of the powers of the Association existing under the laws of Florida generally, Florida Not-For-Profit Corporation Statute, the Condominium Act, and the Governing Documents, all as amended from time to time, shall be exercised exclusively by or under the direction of the Board, or a duly authorized Board member, Officer, committee member, agent, contractor, or employee, when said powers or duties have been delegated by the Board, subject only to the approval by Members when such is specifically required. The powers of the Directors shall include, but not be limited to, the following:

- 6.1. Operation, care, upkeep and Maintenance of the Common Elements;

- 6.6. Maintaining bank accounts on behalf of the Association and designating the signatories required therefor;
- 6.7. Enter into a contract with any person, firm or entity for the operation, Maintenance, or repair of the Condominium Property. However, any such contract shall not be in conflict with the rights of Owners in accordance with the Act;
- 6.8. Purchasing Units at foreclosure or other judiciary sales, in the name of the Association or its designee;
- 6.9. Selling, Leasing, mortgaging or otherwise dealing with Units acquired by, and subleasing Units Leased by, the Association, or its designee;

Borrowing money on behalf of the Association when required in connection with the operation, care, upkeep and Maintenance of the Common Elements, provided, however, that the consent of the Owners of at least two-thirds (2/3) of the Units, obtained at a meeting duly called and held for such purpose in accordance with the provisions of these Bylaws, shall be required for the borrowing of any sum in excess of ten thousand dollars (\$10,000.00);
- 6.16. Contract for the management of the Condominium and delegate to such contractor such powers and duties of the Board as the Board may deem appropriate under the circumstances, except those which may be required by the Declaration and these Bylaws to be approved by the Board or other Owners; to contract for the management or operation of portions of the Condominium Property susceptible to separate management or operation thereof; and to grant concessions for the purpose of providing services to the Owners. In exercising this power, the Association may contract with affiliates of itself provided that such contracts do not involve undisclosed or unlawful self-dealing or undisclosed relationships with Board Members;
- 6.17. At its discretion, to authorize Owners or other persons to use Common Elements, including but not limited to social rooms, meeting rooms, pool terraces, etc. for private parties and gatherings and to impose reasonable Charges for such private uses;

- 6.18. To exercise all powers specifically set for in the Condominium Documents and the Act and all powers incidental thereto;
- 6.19. To suspend the right of any Member to use the recreational facilities of the Condominium so long as said Member is delinquent in the payment of Common Expense;

- 6.21. Contracting with and creating or joining in the creation of special taxing districts, joint councils and the like;
- 6.22. To adopt hurricane shutter specifications for the Condominium which shall include color, style, and other factors deemed relevant by the Board. All specifications adopted by the Board shall comply with the applicable building code, or shall be structured to ensure that installed shutters are in compliance with the applicable building code. The Board shall not refuse to approve the installation or replacement of hurricane shutters conforming to the specifications adopted by the Board, provided that the Board may condition approval upon the Member's agreement to execute appropriate documentation regarding same.
- 6.23. To exercise the emergency powers described in this Article, and any other emergency powers authorized by Section 617.0207, Florida Statutes, Section 617.0303, Florida Statutes, and the Act, all as amended from time to time.
 - 6.23.1. The Board may name as assistant Officers persons who are not Directors, which assistant Officers shall have the same authority as the Executive Officers to whom they are assistant during the period of the emergency, to accommodate the incapacity of any Officer of the Association.
 - 6.23.2. The Board may relocate the principal office or designate alternative principal offices or authorize the Officers to do so.
 - 6.23.3. During any emergency the Board may hold meetings with notice given only to those Directors with whom it is practicable to communicate, and the notice may be given in any practicable manner, including publication or radio. The Director or Directors in attendance at such a meeting shall constitute a quorum.
 - 6.23.4. Corporate action taken in good faith during an emergency under this Article to further the ordinary affairs of the Association shall bind the Association; and shall have the rebuttable presumption of being reasonable and necessary.
 - 6.23.5. Any Officer, Director, or employee of the Association acting with a reasonable belief that his actions are lawful in accordance with these emergency Bylaws shall incur no liability for doing so, except in the case of willful misconduct.
 - 6.23.6. These emergency Bylaws shall supersede any inconsistent or contrary provisions of the Bylaws during the period of the emergency.

An "emergency" also exists for purposes of this Section during the time when a quorum of the Board cannot readily be assembled because of the occurrence or impending occurrence

of a catastrophic event, such as a hurricane, earthquake, act of war or terrorism, or other similar event. A determination by any two (2) Directors, or by the President, that an emergency exists shall have presumptive validity.

7. FISCAL MANAGEMENT. The provisions for fiscal management of the Association set forth in the Declaration shall be supplemented by the following provisions.

- 7.1. Fiscal Year.** The fiscal year of the Association shall be the calendar year. Upon a majority vote of the Board, it may adopt a different fiscal year.
- 7.2. Budget.** The Board of Directors shall adopt a budget of Common Expenses for each fiscal year. A copy of the proposed budget, and a notice stating the time, date and place of the meeting of the Board at which the budget will be adopted, shall be mailed to or served on the Owners of each Unit not less than fourteen (14) days before that meeting. The proposed budget must be detailed and must show the amounts budgeted by income and expense classifications, including without limitation as those specified in The Condominium Act.

If an adopted budget requires Assessments against the Units in any fiscal year which exceed one hundred fifteen percent (115%) of the Assessments for the preceding fiscal year, the Board shall conduct a special meeting of the Members to consider a substitute budget if the Board receives, within twenty-one (21) days after adoption of the annual budget, a written request for a special meeting from at least ten percent (10%) of all Voting Interests. The special meeting shall be conducted within sixty (60) days after adoption of the annual budget. At least fourteen (14) days prior to such special meeting, the Board shall deliver to each Member or mail to each Member at the address last furnished to the Association, a notice of the meeting. An Officer or manager of the Association, or other person providing notice of such meeting shall execute an affidavit evidencing compliance with this notice requirement. Such affidavit shall be filed among the official records of the Association. At the special meeting, Members shall consider and enact a substitute budget. The adoption of the substitute budget requires a vote of not less than a majority vote of all the Voting Interests. If a meeting of the Members has been called and a quorum is not attained or a substitute budget is not adopted by the Members, the budget adopted by the Board of Directors goes into effect as scheduled. In determining whether Assessments exceed one hundred fifteen percent (115%) of similar Assessments in prior years, any authorized provisions for reasonable reserves for repair or replacement of the Condominium Property, anticipated expenses by the Association which are not anticipated to be incurred on a regular or annual basis, or Assessments for betterments to the Condominium Property must be excluded from the computation.

If an annual budget has not been adopted at the time the first installment for a fiscal year is due, it shall be presumed that the amount of such installment is the same as the last installment and shall be continued at such rate until a new budget is adopted and

Assessments are calculated, at which time any overage or shortage shall be added to or subtracted from each Unit's next installment due.

- 7.3. Statutory Reserves for Capital Expenditures and Deferred Maintenance.** In addition to annual operating expenses, the budget shall include reserve accounts for capital expenditures, deferred maintenance, and structural integrity reserve studies as required by law, subject to the Condominium Act, as amended from time to time. These accounts shall include but not be limited to roof replacement, building painting, and pavement resurfacing, regardless of the amount of deferred maintenance or replacement cost, and for any other item for which the deferred maintenance or replacement cost exceeds an estimated cost of \$10,000.00. The amount to be reserved for each item shall be computed by a means of a formula which is based upon estimated remaining useful life and estimated replacement cost or deferred maintenance expense of the item. The Association may adjust replacement reserve Assessments annually to take into account any changes in estimates or extension of the useful life of a reserve item due to deferred maintenance. These reserves shall be fully funded unless the Members determine by a majority of the voting interests present at a duly called meeting of the Association, or in any other manner provided by law, to waive or reduce funding of reserves for any given fiscal year. The vote to waive or reduce reserves, if any is taken, may be taken only after the proposed budget has been mailed to the Unit Owners as required in above. Reserve funds, and all interest earned on said funds, shall be used only for the purposes for which the reserve account was established and is maintained, unless their use for other purposes is approved in advance by a majority vote of the Members at a duly called meeting of the Association, or in any other manner provided by law.
- 7.4. Regular Assessments.** All regular Assessments for Common Expenses shall be paid in monthly or quarterly installments (as determined by the Board), in advance of the first day of each period and shall become delinquent 10 days thereafter. Written notice of each monthly or quarterly installment shall be sent to all Members by or on behalf of the Treasurer, but failure to receive such notice does not excuse the obligation to pay. The Association shall have the right to accelerate Assessments of an Owner delinquent in the payment of Common Expenses. Accelerated Assessments shall be due and payable on the date a claim of lien is filed and may include the amounts due for the remainder of the fiscal year for which the claim of lien was filed.
- 7.5. Special Assessments.** Special Assessments may be made when necessary to meet unusual, unexpected, emergency, or non-recurring expenses or for such other purposes as are authorized by the Declaration or these Bylaws. Special Assessments shall be due at such time as is specified in the resolution of the Board approving such Assessment. Written notice of any Board meeting at which a non-emergency special Assessment will be considered, must be mailed to all Owners at least fourteen (14) days in advance, which notice shall state that Assessments will be considered and the nature of any such Assessments. The notice to Owners that any special Assessment has been levied must contain a statement of the purpose(s) of the Assessment, and the funds collected must be spent for the stated purpose(s). If any funds remain upon completion of the purpose(s) such excess funds may, at the discretion of the Board, either be returned to the Owners or applied as a credit towards future Assessments.

- 7.6. **Assessments for Charges.** Charges by the Association against Members for other than Common Expenses shall be payable in advance. These charges may be collected by Assessment in the same manner as Common Expenses, and when approval of a Member or when expressly provided for in the Declaration or the exhibits annexed thereto as the same be amended from time to time, which Charges include without limitation Charges for the use of the Condominium Property or recreational area, Maintenance services furnished at the expense of a Member and other services furnished for the benefit of a Member.
- 7.7. **Liability for Assessments and Charges.** A Member shall be liable for all Assessments and Charges coming due while the Owner of a Unit, and such Member and Member's grantees or successors, after a conveyance or other transfer of title, shall be jointly and severally liable for all unpaid Assessments and Charges due and payable up to the time of such voluntary conveyance. Liability may not be avoided by waiver of the use or enjoyment of any Common Elements or Association Property or by abandonment of the Unit for which the Assessments or Charges are due. Where a mortgagee holding a first mortgage of record obtains title to a Unit by foreclosure, such mortgagee shall be liable for such Unit's unpaid Assessments, Charges, or share of the Common Expenses which became due prior to acquisition of such mortgagee's title as provided in the Act. Such mortgagee or its successors and assigns are liable for all Assessments and Charges accruing after their taking of title.
- 7.8. **Association Depository.** The depository of the Association, in which the funds of the Association shall be deposited, shall be financial institutions authorized to do business in Florida which carry **FDIC** insurance or equivalent insurance, provided that such insurance is backed by the full faith and credit of the United States of America. All deposits shall be within the limits of such insurance. Withdrawal of money from those accounts shall be only by checks or other withdrawal instruments signed by those persons as are authorized by the Directors or by electronic transfer protocols approved by the Board of Directors.
- All funds collected by the Association shall be maintained separately in the Association's name, except that for investment purposes only, reserve funds may be commingled with operating funds, but must always be accounted for separately and the balance in a commingled account may not, at any time, be less than the amount identified as reserve funds.
- The Board may invest Association funds in interest-bearing accounts, money market funds, certificates of deposit, U.S. Government securities, and other similar investment vehicles.
- 7.9. **Commingling of Funds Prohibited.** All funds of the Association shall be maintained separately in the Association's name. No community association manager or business entity required to be licensed or registered under Section 468.432, Florida Statutes, as amended from time to time, no agent, employee, Officer, or Director of the Association shall commingle any Association funds with his funds or with the funds of any other community association as defined in Section 468.431, Florida Statutes, as amended from time to time, or with those of any other entity. Reserve funds and

operating funds of the Association may be commingled for investment purposes, as provided by law.

7.10. Fidelity Bonding.
