Contract Details

Description: 3 two-story buildings; 12 total units

* Proposal rate valid when units are scheduled through the condominium association as single billing.

OUTSIDE CLEANING PROCESS

* Access pipe at outside outlet

* Clean pipe from roof/wall to dryer from outside unit using reverse airflow system

* Lint collected at roof/wall outlet

* Clean outlet louvers

* Note: This reverse-air process cleans the pipe from the outside outlet to where the dryer attaches to the wall. It does not clean the dryer or exhaust hose extending from the dryer to the wall. If the homeowner would like their dryer/exhaust hose cleaned, they can schedule an inside cleaning for an additional \$35.00 per unit (rate good **only** on the day assigned for interior option cleaning).

*Please note: price for the outside cleaning is valid if Marsh Landing V - IX schedule at the same time. Regular price for outside cleaning is \$35.00 each.
