

# TREE REMOVAL PROPOSAL

To: Marsh Landing Homeowners Association

---

## SCOPE OF WORK

We propose to provide complete tree removal services for Marsh Landing HOA, which includes:

### **Tree Removal and Stump Grinding Services:**

- Professional removal of three (3) trees as designated by the HOA
- Complete stump grinding of all three tree stumps to ground level
- Debris removal and cleanup of all tree material and wood chips
- Site restoration to original grade where feasible

## PRICING

**Total Project Cost: \$4,860.00**

This comprehensive price includes:

- All labor and professional tree removal personnel
- All necessary equipment (chainsaws, stump grinder, trucks, etc.)
- All materials required for safe tree removal
- Complete debris removal and disposal fees
- Site cleanup and restoration

## IMPORTANT DISCLAIMERS

### **Irrigation System Protection:**

While our crew exercises extreme caution during all tree removal and stump grinding operations, we cannot guarantee that existing irrigation lines will not be encountered or damaged during the stump grinding process. Tree root systems often intertwine with irrigation systems, making contact unavoidable in some cases. Should any irrigation lines be damaged during our work, we have qualified personnel who can perform repairs; however, irrigation repair work will be billed separately at prevailing rates.

### **Underground Utility Safety:**

Prior to commencing any work, we will contact the appropriate utility location services to have all

underground utilities marked and surveyed. This ensures compliance with safety regulations and helps prevent damage to gas, electric, water, cable, and telephone lines. This utility location service is included in our proposal price.

## **TERMS AND CONDITIONS**

- Work will be completed within 5 business days of signed approval and scheduling
- Payment due upon completion of work
- We carry full liability insurance and workers' compensation coverage
- All work performed to industry safety standards
- Weather-dependent scheduling may apply

## **ACCEPTANCE**

This proposal is valid for 30 days from the date above. To proceed with this project, please sign and return one copy of this proposal.
